

SN: _____ Style: _____

Material: _____

Finish: _____ Refill Type: _____

Refills are available at most stationary/office supply store. If you have questions about refills or change out please give me a call. I warranty my pens for life excluding abuse or misuse. Avoid dropping or exposing to extreme temperatures such as your car dash in summer or winter. With time the finish may wear but, can be touched up with a good plastic polish or wax. And most important, please use and enjoy your pen!
