

The background of the advertisement is a photograph of a well-organized workshop. On the left, a white pegboard is covered with various tools including wrenches, pliers, and screwdrivers. A wooden cabinet is partially visible below the pegboard. In the center, a large window looks out onto a green landscape. To the right, a wooden workbench holds several hand planes and other tools. A wooden sign with a white border is placed in front of the workshop.

WOODCRAFT® SPRING SALE

A red price tag with a white circular hole and a black string is attached to the left side of the wooden sign.
