2015 Run & Ride

The 2015 Run & Ride was a success on so many levels! Although it was a bit chilly at the start, the sun was shining and it warmed up nicely as the hours went by. Nearly every family was represented on Saturday! Thanks so much to all of our volunteers. Karen is still tallying things up. We will have a total for you soon. A very special thank you to Rebecca and Jason Ferris who captured us in motion! Can't wait to see the video!

“A HANDS ON EXPERIENCE”

Thank you Phil Weiss for spending an entire day with us last week. Phil set up shop in front of the school and with assistance from Ian and Ethan worked his magic!

It is quite an amazing process to see a block of wood turn into a beautiful polished pen. Ian and Ethan guided each of the kids with expert instruction and helped them to create their very own work of art. Check out their website to see more of their fabulous creations.

We also want to express appreciation to EMC Enterprise, Phil's employer, who gave him the day off to work with our kids. EMC encourages their employees to give back to the community through their program called “EMC Gives Back”.

We are delighted to reap the rewards from this program!

CONVERSATION CORNER

This section contains topics that every student can talk about. Try asking about one of these things at dinner tonight:

- What is this thing?
