The Virtual Turning Event Of The Year All From The Comfort Of Your Own House

<https://www.accelevents.com/e/mpg-small-turning-expo>

Love turning small items? Want to see some other items you can turn on your small lathe? Just love turning in general? **This event is for you.**

We have some of the biggest names in the world of turning - right here - to not only teach you projects but also techniques. Eighteen sessions are scheduled to bring you everything from pens to peppermills to rings to embellishments and much, much more.

And if that is not enough you get 30 days to watch and review the sessions. This is the best deal in the turning world. All this from the comfort of your home. "See" you here in November.
