# Ratty ARRIVES!!

Not in a limo, but in a sleek, white cargo van!!! His chauffeur did, however, drop him unceremoniously on the “cargo-in” desk and departed.

When we opened his safe passage steamer trunk, we found the rat and his “suitcase” looking far from happy about the trip!

Here he is, as we met him!

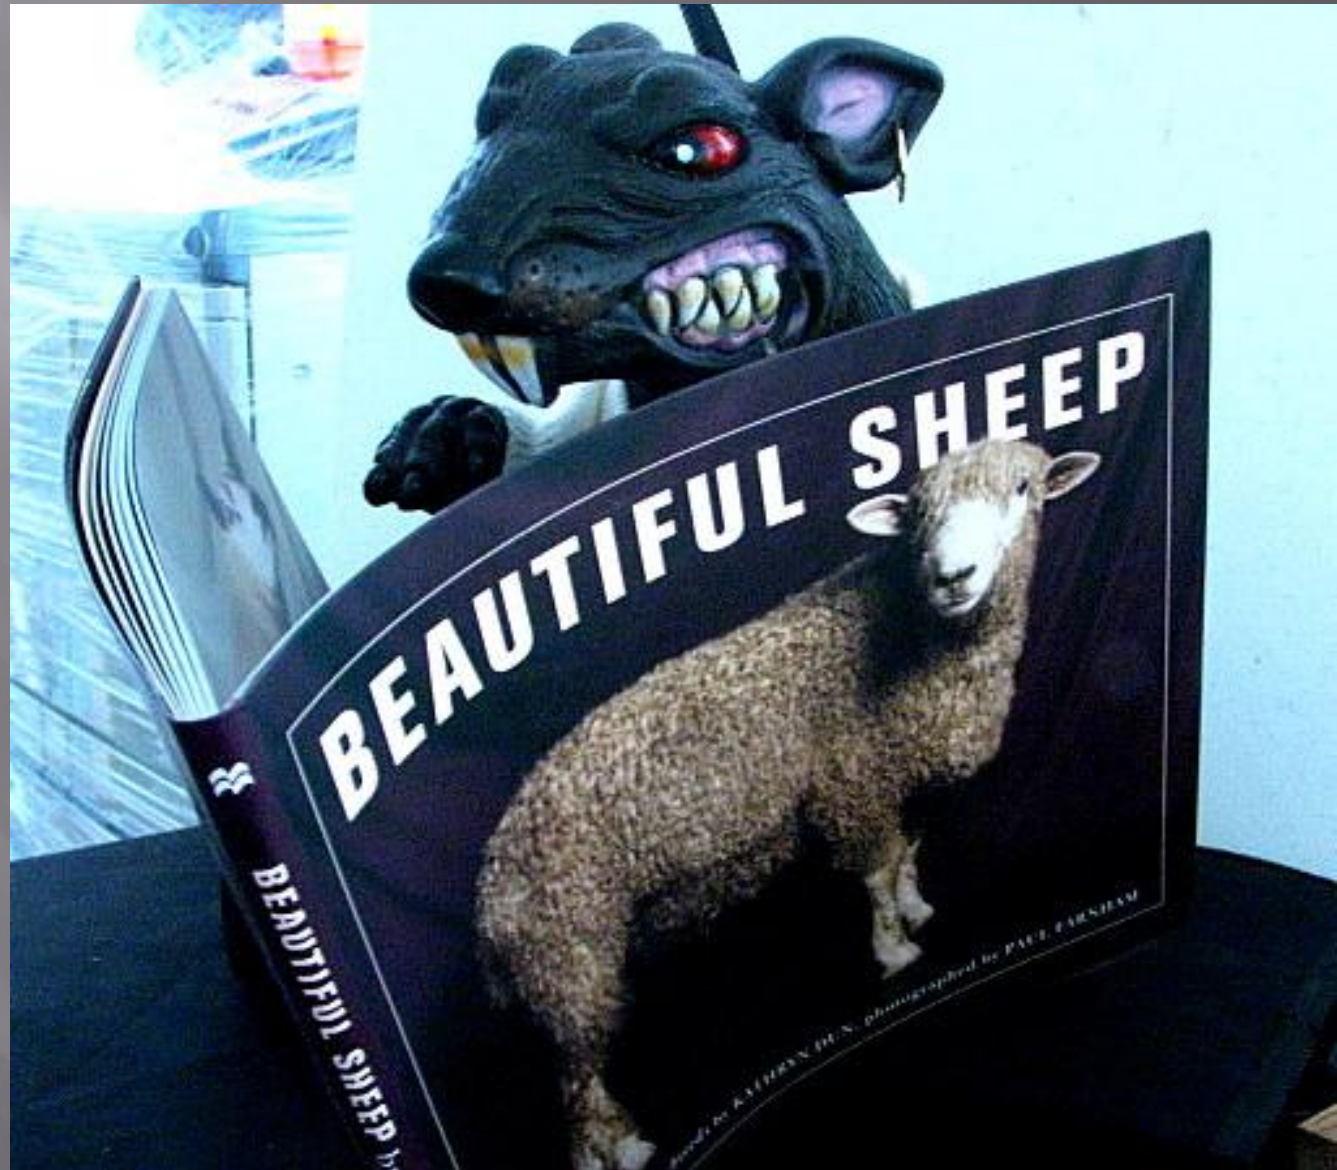

Dawn knew he needed some help, when she saw him the next morning!

## The rat has needs!!

Arriving to  
work, we  
found Ratty  
“reading”.

Seems ALL  
Welshman  
need their  
Sheep, so we  
tried to make  
him feel at  
home, by  
joining in the  
fun.

# Ed-trying to make **Ratty** “at home”

After digging through dozens of boxes of old magazines, I finally found some literature to keep Ratty company!!

Well, “An idle mind is the devil’s workshop”, so we figured we could get **Ratty** to “Pitch in” to our daily grind!!

# Ratty at work

Tried to divert his attention with a few pen blanks.

He did NOT enjoy shipping!!

Wood OR Resin-  
He was NO HELP!

Copier  
Repair??

Nope

Ratty was  
a typical  
“secretary-  
type”

We found  
him  
copying  
his butt!

**Tried  
Office  
Work  
Ratty's**

**Mind just  
wasn't  
there!**

But, he was obviously MISSING something,  
so  
we took the next logical step.

A trip through the “countryside” and we  
located a *friend* for Ratty!!

He took to her, right away!!!

**Ratty's**

*New  
friend!!*

# Romantic inclination

“Straightaway” we realized the rat had a one-track mind.

**But, being the “heart of Harley” country, we thought we could divert Ratty**

# Where's my HOG??

For a while his interest  
went from sheep to  
HOGS!!

Seemed happy spending  
time in our next door  
“biker bar”

But “biker chicks” pretty  
much looked him over  
and

## SMELLED a RAT!!!

Ratty“high-tailed” it back to us

So, we set about finding another way to keep Ratty occupied.

In Wisconsin,  
if you want to  
fit in, BE A  
PACKER  
FAN!!

Dressed in “Green ‘N Gold”

RATTY  
WAS  
READY  
TO  
“ROOT”!!

At  
THE  
GAME  
On the  
sidelines,  
THERE  
SHE  
WAS:

RATZINA

# RATALLINA

*“Cute as a  
Button!”*

## Ratty and Ratalina

The happy couple  
have left their mark  
in Wisconsin

So now,  
it's off  
to  
Texas!!
