

Hello, Welcome and Thanks for joining the International Association of Penturners (IAP)

We apologize for any delay in approving your membership. Each registration is evaluated by me, the administrator to make sure a real person is joining, and not some spambot or scammer.

We take great pride in keeping the good guys protected by keeping the bad guys out. As a member you will not see advertisements on our Forum pages. You have just joined the best pen making organization and community on the Internet.

If you are a new pen maker, we promise you will learn a lot and improve your skills. If you are a seasoned pen maker, we hope you will share your knowledge and experience with us. Regardless of your pen making history and goals, we promise you will make new friends and enjoy the camaraderie of our community.

When you visit our site, you should start out at the IAP Home page <http://www.penturners.org/>. We post announcements there, you will see the most recent threads, the featured photo, and new posts.

The IAP is managed by a dedicated team of volunteers who share a common interest in penmaking as well as a desire to help the IAP thrive and grow.

Please don't hesitate to contact me directly I'm [@jeff](#) the IAP Forum Administrator.

If I can help, make your experience with us more enjoyable. Remember we are always open to new ideas, opinions, and suggestions.

Please stop by our "Introduce Yourself" forum and say hello.
